Dear Partner,

EMSEC in cooperation with AIMMAIPE and OPEN BRIDGE CONSORTIUM

Cordially Invite You to participate at the **TRANSILVANIA COMPANIES MEETING within the Conference**

Management Challenges and Opportunities in a Post-Pandemic Reality

that will be held between 22-24 September 2022
at Univers T, Cluj-Napoca Romania

The **TRANSILVANIA COMPANIES MEETING** is designed as the engineering and management business part of the 3 days dedicated conference.

At the meeting are expected companies from Germany, Korea, Italy and Romania targeting 8 represented sectors: Green energy, Energy distribution, EV -charging, EV batteries, Smart grids, Data Transfer Management, Industrial COBOTS together with Public Private Partnership.

In the 3 days event, the attending companies will participate at the organizers reception, the general introductory session, assist at the great importance plenary event, will be part of the customized presentation of all participating companies, and perform a 20 minutes presentation that consist in:

- General presentation of the company;
- Participating company business presentation;
- Challenges: their challenges in the pandemic period;
- Opportunities: an example how the company overcame the challenges;
- The kind of business model and partnership they would like to apply.

During this session a digital customized application will be available to the participants in order to select on line the companies they would like to have for the 1:1 meetings. An automatic schedule will be generated for the special session dedicated to the 1:1 meetings.
